Carmichaels Area High School is a small school in South Western Pennsylvania. Carmichaels consists of a Junior, and Senior High School with a total of 511 students in grades 7-12. Our school was built in 1928. At this time it was called Cumberland Township High School and consisted of only 3 floors. An addition was later added in 1965. This was the last addition which completed the school which we still use today. Although Carmichaels is a small school, it is one with and extrodinary amount of talent, and spirit. Our numerous accomplishments make our students proud to be a graduate of Carmichaels. Our motto is and always will be, Once a Mike Always A Mike!

Come Away With Me
PROM 2004

The prom this year was great. It took alot of time and hard work from the Senior Standing Committee who put the whole thing together. But not without the help of their sponsors Mrs. Pascuzzo and Mr. Block. With out them it would have never happened.

The Prom took place at the Summit Inn in Uniontown. Even though it rained that day it didn't stop anyone from having a good time. This year's theme and song was *" Come Away With Me "*. This song was later danced to by our 2004 prom court, which were: King- Roger Noce, Queen- Sandy Bruce, Attendants- Hilary Miller escorted by Joey Menhart, Dottie Virgili escorted by Logan Mohr, and Jessica Levo escorted by Mike Hudock. games were played and tears were shed when the last song of the night was dedicated to the seniors. *"I've Got Friends In Low Places"* was played as all the seniors formed a circle and danced to their final song at their final dance.

At 7:00 on May 28th, the 2004 graduates gathered in the high school gymnasium to complete their high school careers at the graduation ceremony. May 28th is a special date for the class, considering this is the same date in which they graduated from kindergarten, sixth grade, and high school. The night was packed with words of wisdom, and insightful speeches by each of the four valedictorians, and two salutatorians. Class president Taylor Baily, also spoke and called the 2004 class role. The guest speaker of the night was Brenda Severini Andrascik, a 1970 Carmichaels High School alumnus. Although the night was a sad one, it is the start of a new beginning for the students. The graduates say that they are looking forward to beginning their new lives and careers after high school, yet will always remember their high school years, and our school motto, Once a Mike Always a Mike!

Above are graduates Shayne Busti and Maria Cutwright.

Cinderella Ball

The Cinderella Ball was held on Novemeber 1st 2003. This wonderful night was located at the Carmichaels High School Gym. The colors this year were red and gold. Our gym was beautifully decorated by our junior standing comittee. The junior standing comittee consisted of Jami Menhart, Jamie Bandish, Sarah Buchtan, Jared Lapkowicz, Casey Olsewski, and Jessica Hathaway. Thanks guys for making the gym look wonderful. The gym never looked so good. A big thanks also goes out to Mrs. Batis for all of her help this year.

The song of the night was "I Could Love You Like That" by All-4-One. The Cinderella Ball court were the lucky one's that were able to dance to this. On the court was Heather Horner and Jared Lapkowicz, Jamie Imhoff and Jeff Lapkowicz, Jessica Greene and Karl Cole, Jami Menhart and B.K. Bird. Varsity Football

Coming back from a great season last year there were high hopes set for the 2003-2004 Mikes football team. Many changes were made prior to the season, including the implementation of a new head coach. Mr. Bosnic, an assistant coach in the 2002-2003 season, took over as head coach for the Mikes. He took over for coach Menhart who retired from the position after 14 years. These changes however did not break the stride of the team. With the leadership of the seniors and the teams hard working attitude they were able to finish the year with an outstanding record of 8-1.

Below Donny Hewitt gains a few extra yards before being brought down by his opponent.

CHEERLEADING

"There is no such thing as the end of the season." This can very well be the motto for our Mighty Mikes varsity cheerleaders for the 2003-2004 school year. There really was no end this year. Our cheerleaders started practicing the first week of summer. At the end of June, they attended UCA Cheerleading camp at Slippery Rock University. There the cheerleaders worked hard to perfect there moves and dances. In doing this the cheerleaders were awarded trophies and numerous ribbons. Also, seniors **MaryAnn Rush** and **Kalya Butorac** were chosen as UCA All-Star Cheerleaders. This was a great honor for them. Especially with this being their last year.MaryAnn was chosen to be an All-Star four years in a row. She was also asked by UCA to come back and join them as an instructor. Great Job!

Back home, the squad continued to learn a routine for the upcoming competitions. This year, the routine would be even harder because stunting was added into of all the competitions. Still, they worked hard. Later thed competed at Kennywood, Jefferson-Morgan Rocket Rumble, where they placed 1st. These were practices for them. The real competition was comming. It was our own King Coal competition that they were working toward. At the competition the cheerleaders pulled it off and recieved overall varsity.

Even with the trophies to show for all their hard work, the cheerleaders kept going. Football season was next, with many thrilling games to cheer for. The cheerleaders kept school spirit up through the season with their decorative signs and pep rallies. But they didn't stop there. Basketball was just around the corner. It was time to learn new mounts and cheers to get the players ready for the season.

Pictured Above: Kelleena Barkley underneath the Mighty Mike Football.Bringing back the school spirit for the best pep rally ever!

To the left is the cheerleading squad posing funny for the camera during picture day this summer

Below: Senior Amanda Plumley watches the underclassmen do pushups after the mikes make a tuchdown at a football game.

But when the season came to an end so did cheerleading. With heart felt good-byes to the senior cheerleaders who were leaving. But now the new squad is getting ready for the new year. With luck they might be as good as this years cheerleaders. Thank You for your dedication and support to our athletics and school.

Below: are pictures of the cheerleaders doing different activites such as: school work, cheering, posing for pictures and saying good-bye to their senior cheerleaders at the senior night game.

Above: senior cheerleaders playing around during picture day . Instead of yelling in the megaphones they decide to put them on thier heads and pose for a picture. Later the cheerleaders pose for a picture with their coach Sharon Rodivich at their cheerleading banquet.

"This year has been great! The girls worked hard and I'm so proud of them. To the seniors good luck and I hope your future is bright. - Sharon Rodivich"

On The Line

Carmichaels Jr. High Mikes

Once again, our Junior High Football Team has ended the season with success. The Mighty Mikes finished with an overall record of 4 wins and 3 losses. They also had an outstanding section record of 4 wins and 1 loss, which awarded our Junior High second place in the section.

Throughout the season, the Mighty Mikes were guided by the elite coaching staff. This year, the Junior High coaches, Kevin Willis, Rob Cole, and Richard Krause, stressed the importance of teamwork and determination, skills that will be use both on and off the football field.

Through the dedication and effort of the Junior High Mighty Mikes and their coaches, another successful season has come to a close. Congratulations to our Junior High Football Team on an excellent 2003 season.

This year was a year of changes for the Lady Mikes volleyball team. The absence of four past senior starters has definitely played a role in the outcome of the season. This year was also the teams first year with their new coach, Angie Everly. Ms. Everly took over for Ms. Gibson who had been the teams coach since it's very beginnings in 1990. The 2003-2004 season was a time of rebuilding for the team, which will become stronger and stronger in the impending years. The Lady Mikes finished their season with an overall record of 2-17. Although it was a tough year for the team, the girls played hard, and say they are ready to work hard in the off-season to prepare for a good season in the upcoming school year.

Here the team and their new coach Ms. Everly huddle before the game talking about their game plan.

In the picture above Annie is getting prepared to set the ball to senior, Tonya Conway who is setting up for a spike!

Here Holly Homistak jumps in the air to block the ball from their opponent Mapletown. Holly was one of the teams senior starters, and was also one of the key players on this years team.

To the left you can see this years senior players. Holly Homistack, Tonya Conway, Sarah Pavel, and Kriste Reda. These seniors were an essential part of the team, and will be greatly missed next year. Treva Matthews is not pictured.

Congratulations to the girls 7th and 8th grade basketball team. They were 3-14. I guess you could say that this was a developmental year. After losing almost their whole team last year. This year they started new. They might not have been the best, but they tried. Next year seems to be more promising now that alot of the same girls will be coming back. Watch out next year, it seems like we'll be seeing a different team that will be ready to play.

Keeping the Tradition

Carmichaels Baseball 2004

After winning the WPIAL Class A Championship in 2003, the Carmichaels Mikes Baseball Team just didn't know when to stop. They started out the 2004 season with just as much enthusiasm, spunk, and power as the year before. Despite losses to Jefferson-Morgan and Waynesburg early in the season, the Mikes used these games to their advantage to improve their game skills. Under the direction of Coach Bates, Coach Cole, and Coach VanSickle, the Mikes made a quick comeback and proudly defeated Chartiers-Houston. The Mikes were soon crowned Section Champions for the 4th consecutive season.

The team couldn't celebrate for long. WPIAL Playoffs were soon approaching and the Mikes were looking to repeat last year's victory. With dedication, hard work, and plenty of practice, our baseball team went into the playoffs on fire, ready to defend their title. Geibel, Brentwood, and Sto-Rox all fell to our Mighty Mikes, and with these victories under their belts, the baseball team headed to the Championship Game. This year's game was played at Falconi Field, Home of the Washington Wild Things, and the Mikes battled the Neshannock Lancers. Unfortunately, the Mikes lost the game. However, the baseball team still did a wonderful job and will go on to the PIAA State Playoff Tournament. Good luck to the Mikes Baseball Team in the State Playoffs and congratulations on a excellent season!

Girls Softball

After a successful season and a Section Title last year, the Lady Mikes knew this year could be a challenge. With new coaches and only one returning letterman playing the same position, the Lady Mikes still continued to remain at the top of the section. With a section record of 8-2 and an overall record of 10-3, the team took second place in the section and earned a spot in the playoffs. Congratulations to the team and coaches on the hard work and a great season.
